Begins**

**Written

**Illustrated
by
Arcumus

**Origin stories are
tricky things...**

**You can never be
sure what's going
to make someone
who they are...**

**Mostly because
origin stories are
told in hindsight...**

**When you see it from
that angle, it's
perfectly obvious...**

**what the defining
moments are...**

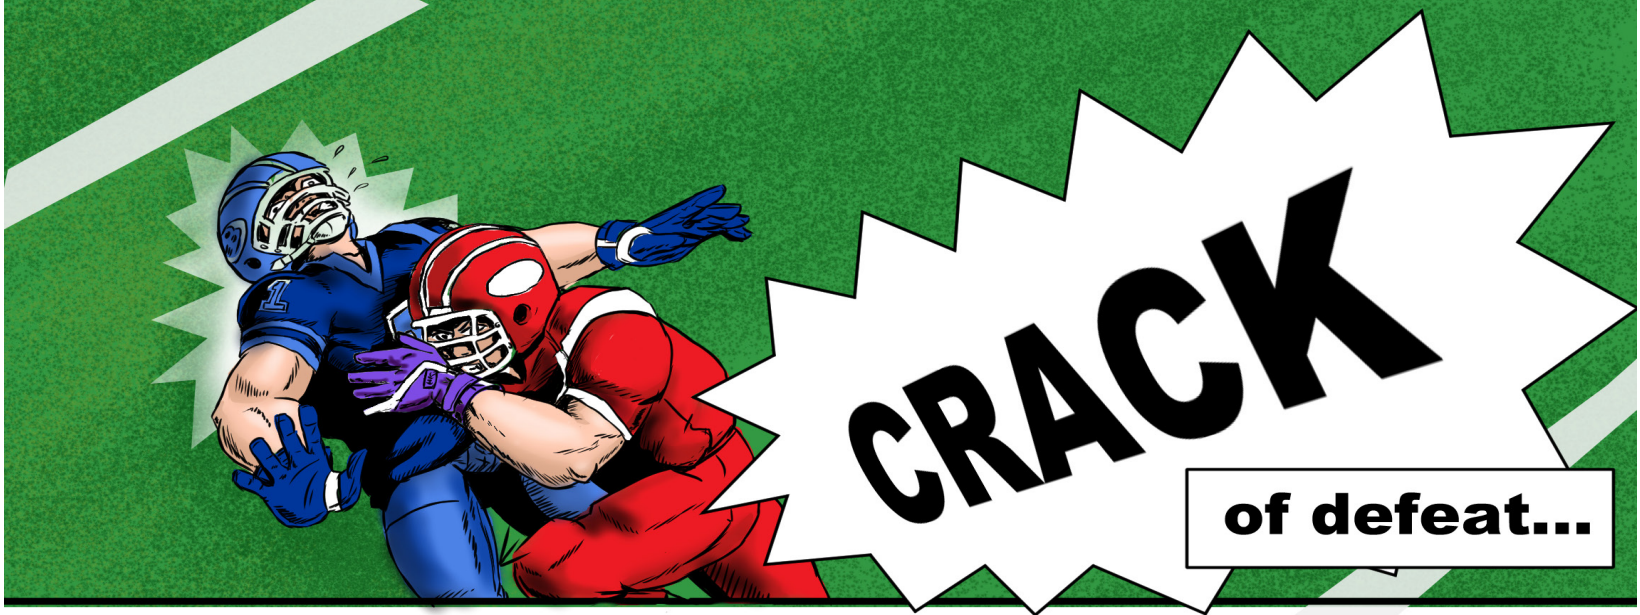

**But when it
happens to you
in the moment...**

**All you can feel
is the thrill of
victory...**

and the agony...

CRACK
of defeat...

Your entire future goes down the drain...

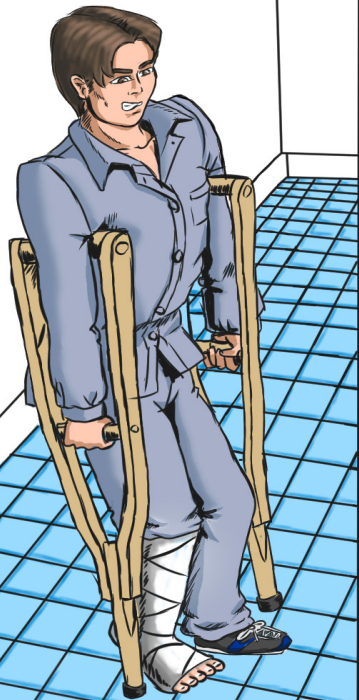

Driving the people around you away...

Despite everything, you try to move on...

Trying your best
to have what
passes for a life...

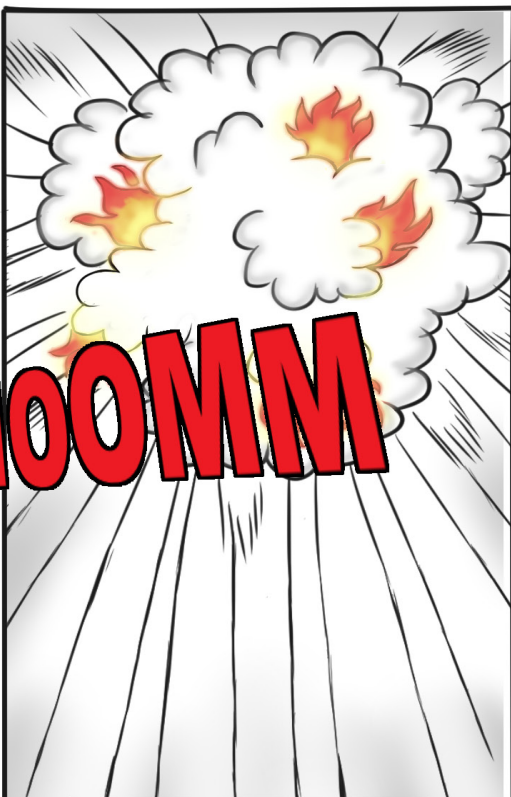

And then it
happens...

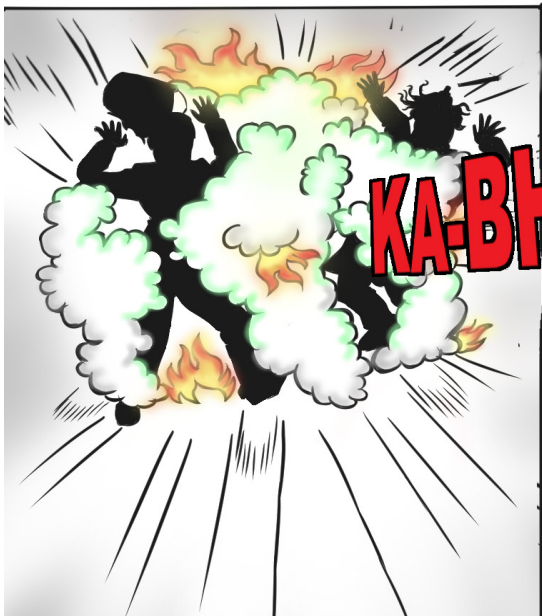

BA-WHOOMM

KA-BHOOMM

That defining
moment...

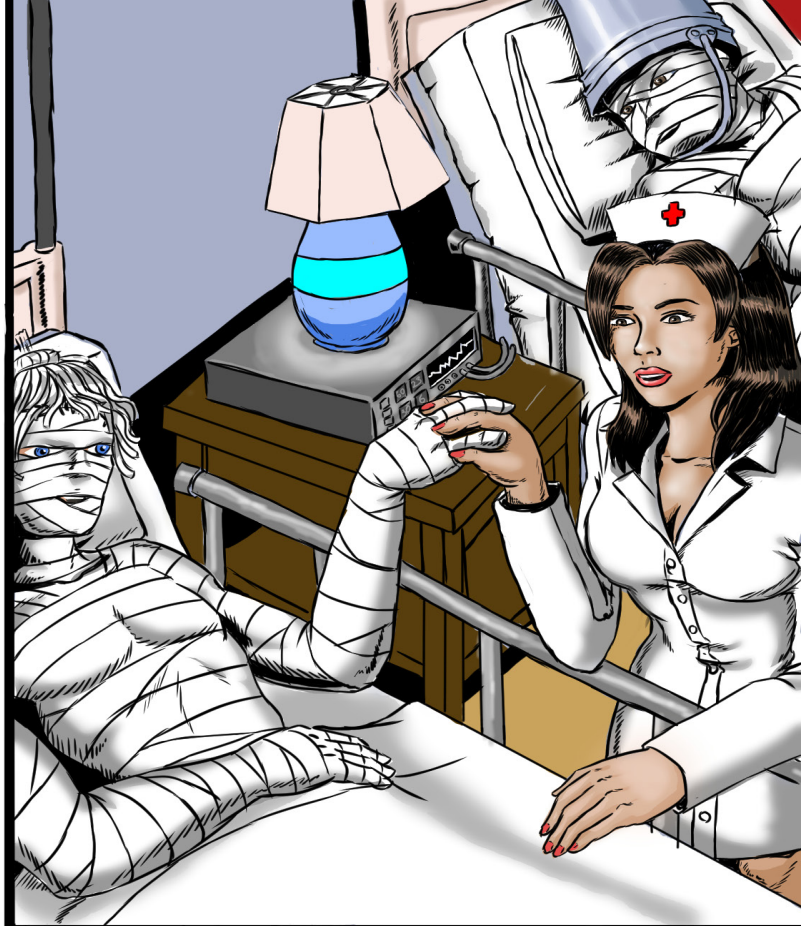

The one that
changes
everything

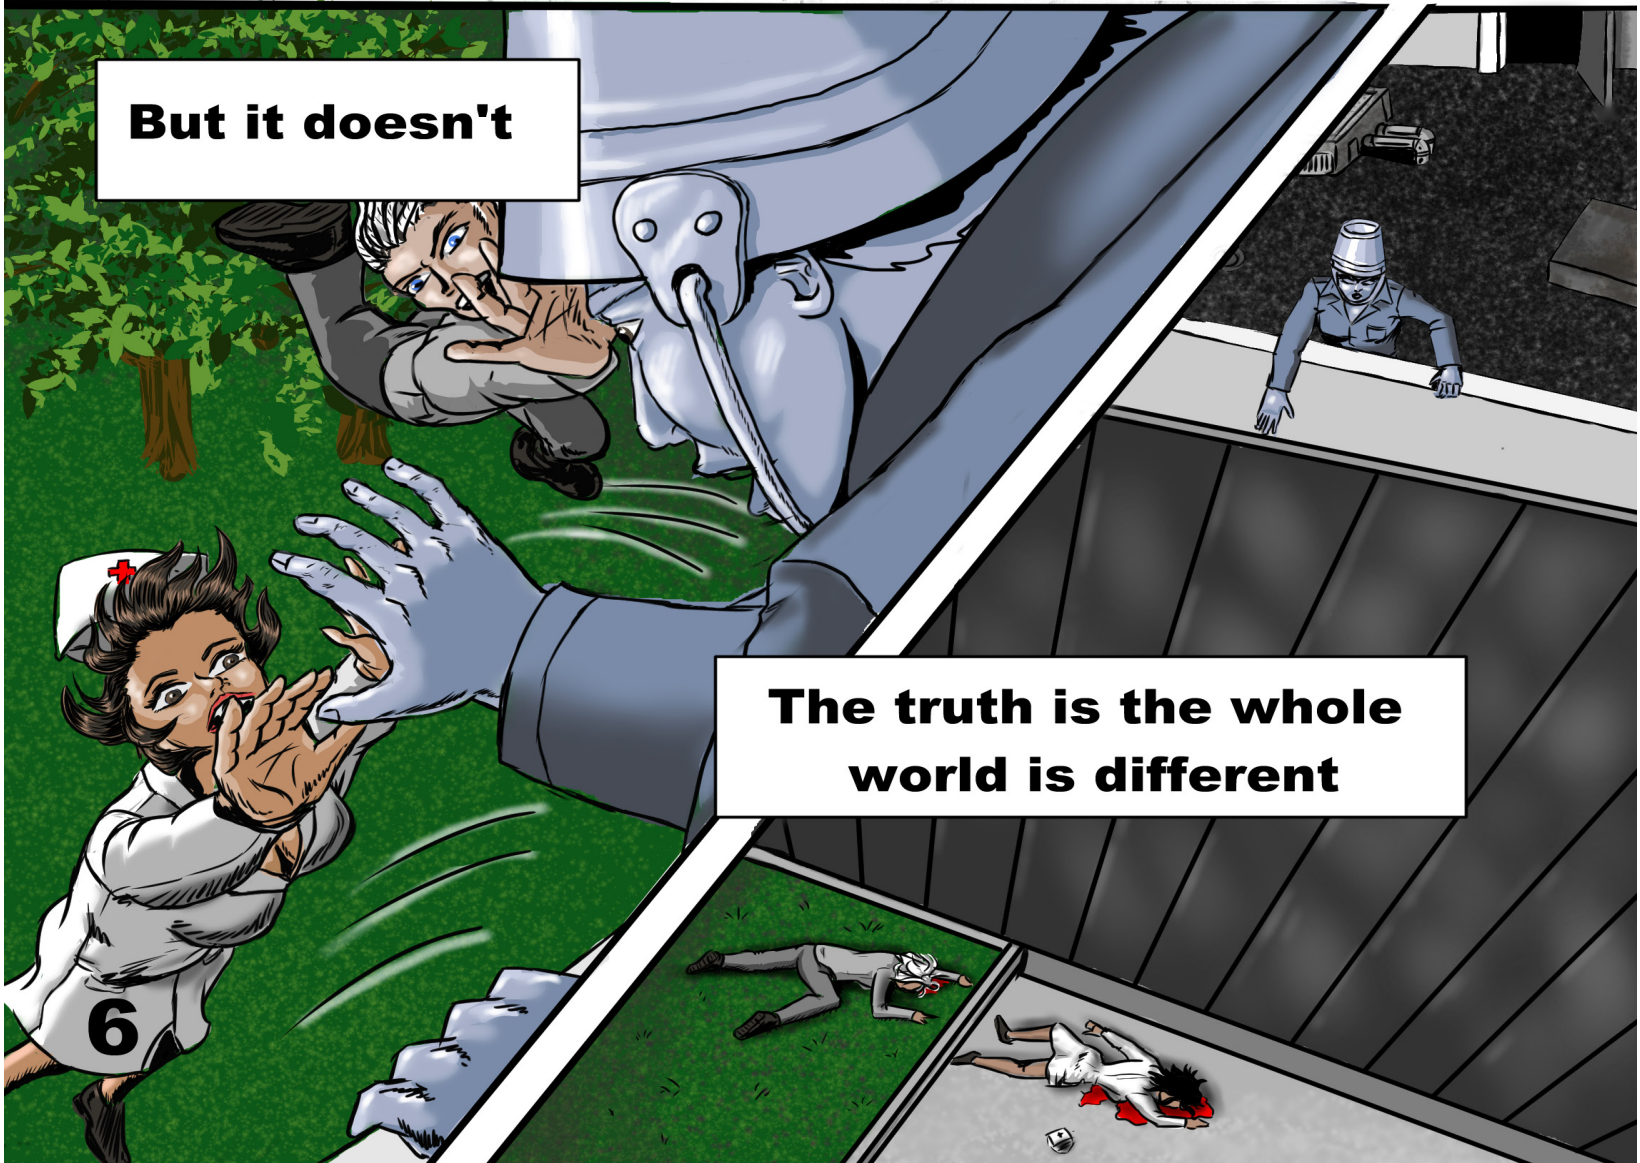

Funny thing is,
that moment
doesn't just
affect you ...

It may feel like it does ...

But it doesn't

The truth is the whole world is different

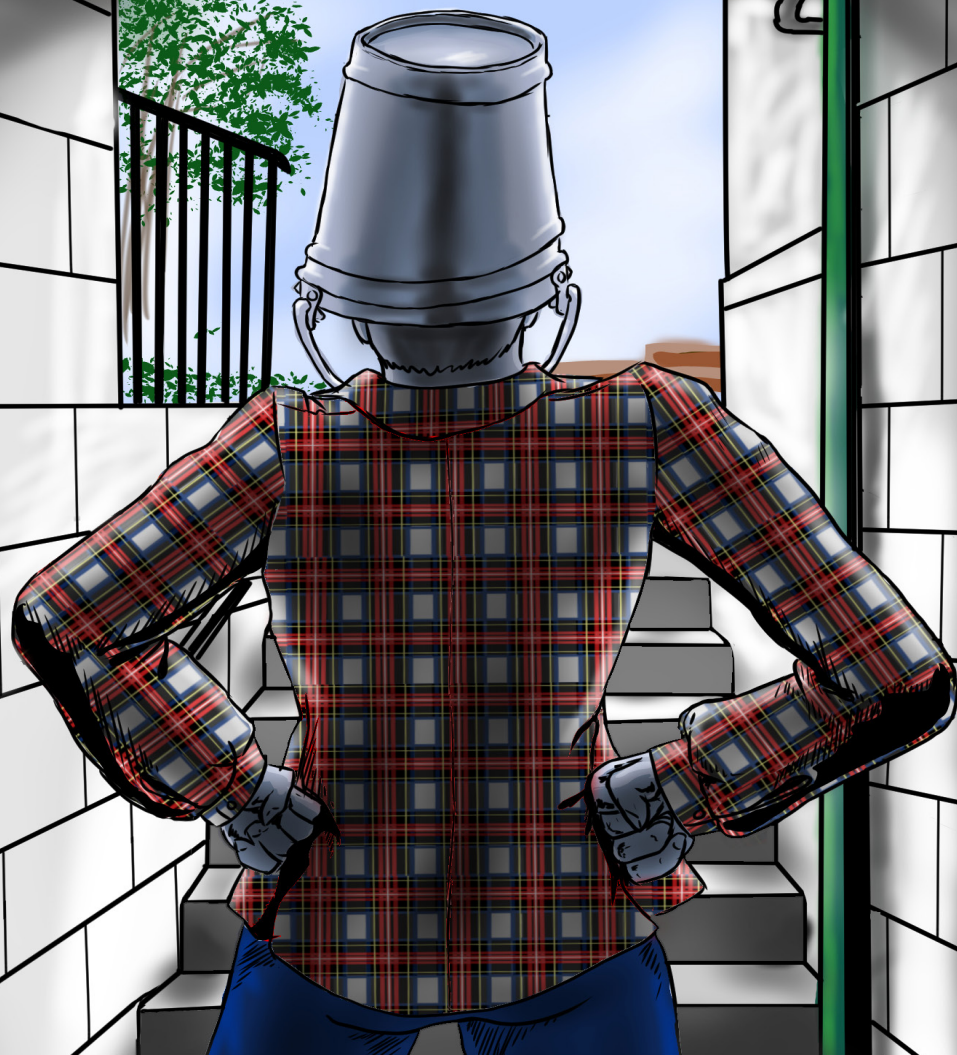

And the only question you can ask...

is how you're going to change it in the future...

**I've chosen
my way...**

What's yours?
